Design an Emoji

Directions:

Objective: In this task, you are going to design a new emoji and fill in the background with line and pattern.

Steps:

- 1) Draw the shape of your emoji.
- 2) Add eyes to the emoji.
- 3) Add other details like hands, a mouth, or clothes.
- 4) Draw a line across your background and repeat it to create stripes in your background. You could use zigzag, curving, wavy, dashed, or curling lines!
- 5) Color your emoji with your own choice of mediums and colors.

The examples below may help you. There are also examples on Art Hub that may give you some ideas if you follow the links
