

Dear Parents/Guardians & Pupils,

Today, the 29th May should be a very special day for you all, but due to the Covid-19 pandemic, we will not be able to celebrate your Confirmation together. The months of practice, rehearsals in the church, singing in Ms.Hamilton's room, the readings, and everything else will not have been in vain and will serve a purpose for when you do make your Confirmation.

Father Pat is aware of how disappointed people are that it is not possible to celebrate this occasion on the 29th. Once the COVID-19 restrictions are lifted and “we are told that it is safe to do so, we look forward to celebrating this special occasion with you.”

The Confirmation Day is a day usually filled with great expectations and nerves. It is the day when families come together to celebrate a very special time, a time when we, the teachers, are all incredibly proud of you. This day should still be a day of celebration for you all, and it is still a chance for families to come together and appreciate what is important. One aspect that we have realised from all of this is the value of family, of supporting one another and those in our community.

It is a different time for all of us, and hard not to feel a sense of isolation with our current situation. Please remember the school is here for you all when all of this is over. The pupils have so much to look forward to in the coming months and years. We, as a school, are proud to say they are pupils in St Aidan's SNS..

Finally, a huge thanks must go to Mr Hayes, 6th class teachers and SNAs, staff of St. Aidan's, Fran & Lisa, Cathal, Father Pat, Sister Bernadette, the school choir, parents and most importantly the PUPILS.

Enjoy the day and keep safe.

St. Aidan's 6th class team.
