Dear Parents & Guardians,

I hope that you and your families have been enjoying a happy and safe Christmas break.

You will be aware from yesterday's news that Minister for Education, Norma Foley, has announced an extension of the Christmas break. We will re-open on Monday, 11th January to give everyone a chance to minimise contacts before children return to school.

(<https://www.education.ie/en/Press-Events/Press-Releases/2020-press-releases/PR20-12-30.html>).

I would like, once again, to thank you all for your co-operation and support in all the measures we have taken in St. Aidan's SNS to keep our school community a safe place for everyone. We will depend on your continued support in these measures when we re-open our school after the Christmas break. It will continue to be most vital that you do not send your child to school if he/she is displaying any symptoms of COVID.

I wish you and your family the very best and a very Happy New Year.

Yours sincerely,

Tomás Hayes.
