History

Charles Stewart Parnell

1. Parnell was very popular in the 1880s as he was the leader of the Home Rule Party. He made Home Rule for Ireland an important issue in Britain.
2. 1886 - The Home Rule Bill was defeated in 1886
1890 - He lost the leadership of the Home Rule Party
1891 - Parnell married Katherine O'Shea in June but then died in October of that year.
3. MPs in Ulster were afraid of being separated from Britain. It would be good to convince them that Home Rule was good for all Irish people and that it could be achieved by peaceful means. It would also be important to persuade them that people from all cultural and religious backgrounds would be treated equally.

Tuesday

Maths

A.

1. (a) 34·96 (b) 57·27
(c) 95·91

Science - Wednesday

Answers

1. Which of the following is not powered by electricity? Tick one.

- hair dryer
- radio
- bicycle**
- All of the above

2. Find and copy one word that means 'made'.

generated

3. Draw **three** lines to match each energy source with each fact.

4. Tick the boxes to say whether the statements below are **true** or **false**.

Statement	true	false
Oil is a renewable source of energy.		✓
Electricity generated from renewable energy sources causes less pollution than electricity generated from fossil fuels.	✓	
All electricity is generated in nuclear power stations.		✓

5. How does electrical charge get to where it needs to be used? Tick one.

- it travels through air particles
- it flows through wires**
- it is transported by car
- it travels through the ground

6. Fill in the missing words.

Electricity can be generated in power stations, **wind turbines** and solar panels.

7. Electrical current flows more easily through silver, copper, and gold.

Which material do you think is most often used for electrical wires?

Explain your answer using evidence from the text.

Pupils' own responses, such as: I believe that electrical wires are most often made out of copper because it says that electrical current flows more easily through copper, silver and gold. I think copper is less expensive than silver and gold, so copper would probably be used more than those.

Thursday

Maths

1. a) 10% of a number is 45. What is the whole number? **450**
